# Signature Body Therapy

25. Cupping Therapy

75/90/120 mins | 890/1,090/1,380

Cupping massage combines Vietnamese traditional oil massage techniques with the placement of warm cups on the skin to create suction. This treatment aids in detoxification, reduces inflammation, improves blood flow, and promotes relaxation and well-being.
26. Candle Therapy

75/90/120 mins | 890/1,090/1,380

Candle massages engaged all the senses. Packed with essential oils and natural fragrances, warm melted wax is applied to the body, enhancing the massage experience. Soft touches, caresses, light pressure, broad kneading, and smooth rubbing are incorporated, enhancing skin elasticity.
27. Magic Four-hand Therapy

75/90/120 mins | 1,660/2,160/2,680

Indulge in a luxurious and relaxing treat for your body with our Four-Hand Massage. Two therapists work in synchronized, choreographed movements to apply sensations of touch to your skin. This gives complete relaxation, releasing aches and muscle tension, improving blood circulation, reducing stress and anxiety, and enhancing overall mood.

# Foot Treatment

Price x 1000 vnd

28. Foot Reflexology

45/60 mins | 480/610

Drawing from Traditional Vietnamese Medicine and influenced by interactions with other cultures, the Acupressure Technique is employed to restore the natural flow of energy throughout the body, connecting from head to toe. This treatment promotes better sleep, a refreshed mind, and improved metabolism.
29. Foot Treatment

75 mins | 750

This treatment combines a foot massage focusing on pressure points with a wet scrub to remove dead skin, leaving your feet silky smooth. It provides an invigorating “facelift” for your feet, offering a complete care and an ultimate treatment.
30. Premier Foot

90 mins | 890

Premier Foot Massage combines heated stones and reflexology techniques for a unique treatment. The warmth of the stones allows the therapist to work deeply into the muscle fibers without causing excessive discomfort, unlike a deep tissue massage. This allows the muscles to relax into their natural resting position.
